Congratulations, Kay!

Congratulations to Kay Kelly for becoming a Certified Veterinary Technician! Kay is a long standing volunteer, donor, and supporter of Foothills Animal Shelter. In lieu of gifts, she asked her friends and family to donate to Foothills Animal Foundation. These donations will be allocated towards the medical fund, and help purchase much-needed surgical equipment. Join us in congratulating Kay on this huge accomplishment!

Chow Down Supper Club at Noodles & Co. Was a Huge Success!

The Chow Down Supper Club (CDSC) at the Applewood Shopping Center Noodles & Company was a huge success! Many Foothills Animal Shelter staff, volunteers, and donors came out to grab some grub in support of the animals. Special thanks to everyone who came out to support June's Chow Down Supper Club. You helped us raise over \$600! Mark your calendars for the next CDSC to be held at Wystone's World Teas on August 25, from 5pm to 9pm. Wystone's is located in the Belmar Shopping Center, 7323 West Alaska Drive, Lakewood, CO 80226.

Jennie Whittle and Mike Pinkston enjoy their noodles at the June CDSC.

Furry Feature: Harriet

Harriet, a five-year-old domestic cat, was surrendered to Foothills Animal Shelter on New Years Eve of 2010. Her family said that she had not been using her litter box, and they noticed that she wasn't as playful as she once was. The family had a few out-of-town guests visiting for the Holidays, and they decided to surrender Harriet to the Shelter so that her behaviors could be better assessed. Harriet was placed into a cat condo with a few other cats, and she seemed pretty content with her surroundings. During Harriet's six month stay at the Shelter, she never had one accident in her condo. Harriet may have been stressed out by the change in routine and by the family's holiday activities, as cats can be very sensitive to change. The holidays can be exceedingly stressful not only to us, but also to our furry friends. Harriet was adopted in June of 2011 to a very loving family who will make sure Harriet has her own space during the holidays to ensure her comfort throughout the year.

Mulligans for Mutts Gives Animals a Second Shot at a Better Life!

This year, the 6th annual Mulligans for Mutts golf tournament was held on June 13th at the Lakewood Country Club. Hundreds of golfers, volunteers, and staff came out to participate in the fun day of golfing, contests, and philanthropy. The day started off with a shotgun scramble at 7:30 am and went until 8:30 pm. There were two flights of golf this year, which seemed to be a huge hit with the golfers! We would like to express our sincere gratitude to all the golfers, sponsors

and volunteers who came out and participated in the day; we couldn't have done it without you! Proceeds of the event went to benefit the nearly 9,000 animals served by Foothills Animal Shelter annually. Stay tuned for the 2012 Mulligans for Mutts golf tournament date, and get your foursomes ready!

Furry Feature: King

King, a two-year-old American Pit Bull mix, was surrendered to Foothills Animal Shelter in December of 2010 by a family who could no longer care for him. King was a very excitable, high-energy dog who needed lots of stimulation. King was immediately placed in the P.H.A.T. (Psychology, Health and Training) Program which allowed him to release his excitement by exercising, and he received some much needed training. After a few short weeks, King's excitable behavior was greatly reduced, and he became an even more happy and healthy dog. King found his forever home in early June to a Lakewood resident who loves to run, hike, and all the like; it truly was a match made in heaven!
