

## **HVAC Mechanic**

Foothills Animal Shelter, a nonprofit company, is hiring a skilled HVAC mechanic to work at our site at 580 McIntyre Street, Golden. Interested applicants must have at a minimum of 2 years operating and maintaining HVAC equipment, including rooftop units, heat recovery units, evaporative coolers, commercial refrigeration equipment, compressors, pneumatic and DDC controls and all associated equipment. Applicants should also have experience maintaining building fixtures and equipment, including walk-in coolers, electrical and plumbing equipment and fixtures, as well as other general maintenance duties.

HVAC technical experience and excellent customer service are required; broader maintenance experience a plus.

This is a half-time position, schedule negotiable. Must have valid Colorado drivers license, ability to lift 50 pounds, willingness to respond to emergencies and call-backs.

Interested applicants should email or mail their resume, references and salary requirements to: [employment@fas4pets.org](mailto:employment@fas4pets.org) or to: Foothills Animal Shelter, 580 McIntyre St., Golden CO 80401. Resumes must be received no later than 5PM on January 11, 2012.

Foothills Animal Shelter has a great work environment, a good cause to support, and a competitive compensation package. Visit our website at [www.FoothillsAnimalShelter.org](http://www.FoothillsAnimalShelter.org).
